

## PAY STATION COUPON PROCEDURE

Select "More Choices" until you see the "ONE DAY PERMIT" and select that choice (the pictures are an example and may not reflect your choice).

When Payment Method Screen appears, press the "#" key on keypad.

Enter the 7 digit coupon code number using the keypad (this is an example and not your code number), then select "OK".

Code will authorize and then indicate permit below in Change/Receipt box.

Remove permit and place on passenger side of dashboard face up and clearly visible through the windshield. Permits are valid in any regular parking lot (except gold lots) and if you park in a metered area you still must pay the meters. Please call Parking Services at 474-6798 if you have any questions.

There are nine Pay Stations located on campus:

- Thompson Drive Pull-out (off Geist Rd)
- **Nenana Lot (across from SRC)**
- **Taku Lot (off Farmers Loop)**
- U-Park Lot (off University Ave)
- Museum Lot (2) (off Yukon Drive)
- Elvey Lot (Westridge)
- Reichardt Lot (Natural Sciences)
- Arctic Health West (across from IARC)

The highlighted Pay Stations would work best for you.
